FLEETGENIUS®

SC Compactor Specs and Features

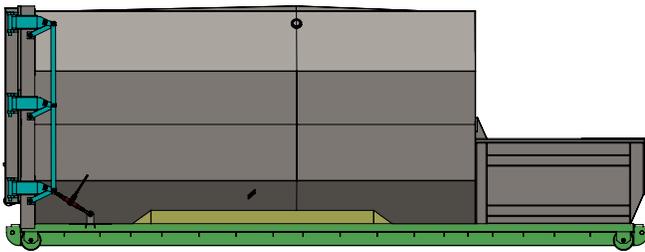

FleetGenius® SC Compactors are specifically designed to provide containment in food and liquid waste applications. Our SC Compactors are available in sizes ranging from 15 yd to 39 yard. SC compactors come standard with “dual twin” cylinders for space efficiency. FleetGenius® provides standard and customized load options, including security chutes, custom-load hoppers, doghouse enclosures, cart tipplers, and full weather enclosures.

FleetGenius's “LeakTight” gate design ensures liquid containment with dual ratchet closure and adjustable gate hinges. Sales, Service, Technical Support, Delivery, Installation and Parts are all available via our eight strategically located service centers within the US. FleetGenius® is your one-stop shop for all your compactor needs.

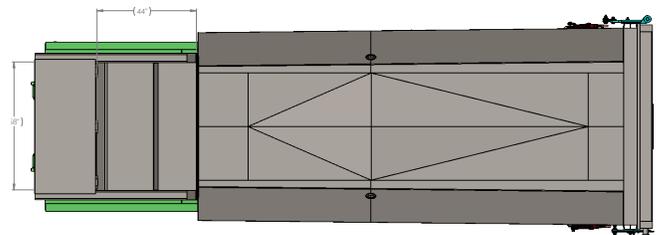

Standard SC Head Height = 48"
Optional Low Profile Head = 42"

FLEETGENIUS® AT A GLANCE

At FleetGenius®, we've built our reputation on listening to our customers first, understanding their needs and then designing quality products that meet or exceed their expectations. FleetGenius® Self-Contained Compactors are ruggedly constructed to exacting standards to provide you with years of trouble-free performance without gimmicks or add ons you didn't ask for. In short, our compactors just work.

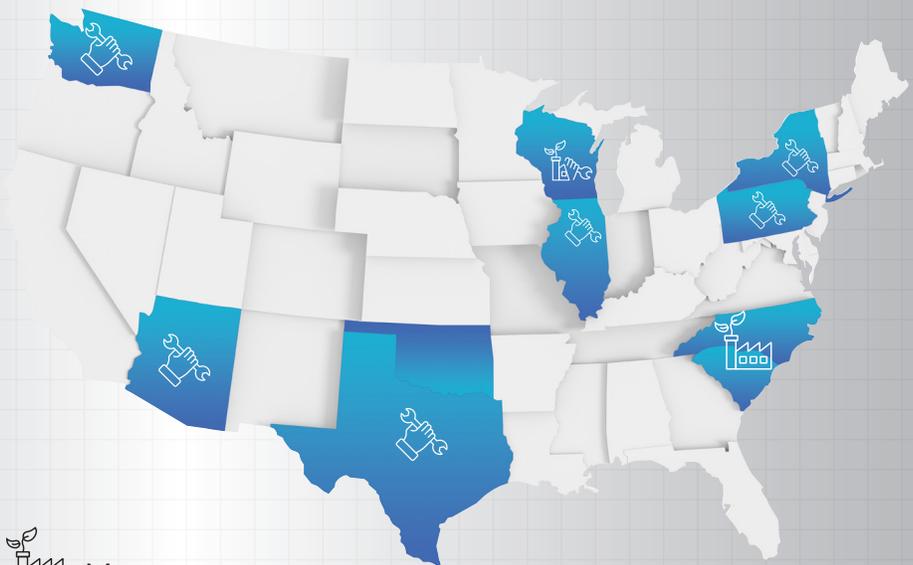

Genius? No... FleetGenius®.

WHO ARE WE?

- FleetGenius® has grown to include multiple environmental services companies with a combined experience spanning decades.
- Along with manufacturing our own line of commercial equipment, we also offer commercial container management that includes: inventory management, cart poly-welding, container washing, and more!
- Although we do deliver equipment via our own fleet, don't be fooled by our name! FleetGenius® is not a logistics company - we just support them!
