

SELF-CONTAINED COMPACTORS

Our self-contained compactors are built to manage food and liquid waste with reliable containment and long-lasting performance, offering a clean and efficient solution for everyday waste needs.

BWE SC Compactors are specifically designed to provide containment in food and liquid waste applications. Our SC Compactors are available in sizes ranging from 15 yard to 39 yard. SC Compactors come standard with “dual twin” cylinders for space efficiency.

BWE provides standard and customized load options to meet your application needs. From security chutes, custom-load hoppers, doghouse enclosures, cart-tippers and full weather enclosures, we have an option that will work for you. Our “LeakTight” gate design ensures liquid containment with dual ratchet closure and adjustable gate hinges.

Standard SC Head Height - 48"

Optional Low Profile Head - 42"
